Seeking 2 to 4 Officers,

some from the Albuquerque area and others from elsewhere in New Mexico or out of state.

WHO ARE WE?

The GSNA is a professional organization that represents and advocates for Graduate Nursing Students. The GSNA officers also allocate funds for travel expenses to graduate nursing students. These funds are collected from students each semester by the UNM Student Government Accounting Office (SGAO) for use by the Graduate and Professional Student Association (GPSA). The GSNA can also hold fundraisers to generate additional funds

WHAT DO WE DO?

A member of the GSNA attends meetings of the Graduate and Professional Program Committee at the College of Nursing. We meet via video conference @ 3 times a semester; two members of the GSNA need to attend in-person presentations at the beginning of the Fall semester to renew the GSNA charter within the GPSA.
